

InnerVisions HealthCare

An unPlanned Pregnancy and STD Medical Clinic

Pam Tebow IS IN THE HOUSE

DES MOINES, IA – InnerVisions HealthCare is excited to host their 1st Annual Fundraising Banquet on Tuesday, June 5th at the Airport Holiday Inn in Des Moines—with featured speaker Pam Tebow (NFL QB Tim Tebow’s mom).

Guest Speaker
Pam Tebow

season with the Florida Gators.

In 2010, Pam and Tim were in a Super Bowl commercial that celebrated family and life. Pam is also passionate about encouraging women to trust the Lord with all their hearts - for all their lives. She has devoted herself to using the incredible influence God has given her and her family to eternally impact their world.

More than 500 guests are expected at the event and we’re grateful for Pam’s support and the wonderful support of the local community.

We’re particularly blessed to have Pam in Des Moines considering her extremely busy travel schedule. Pam had ruled out any additional speaking engagements this year until hearing about InnerVisions’ banquet, and didn’t want to give up the opportunity to support our mission.

A homeschooling mother of five, Pam and husband, Bob are strong advocates for the pro-life cause and promote strong Christian family values. The Tebow family was placed in the spotlight when their youngest son won the Heisman Trophy following his sophomore football

The Well—An Outreach Ministry for Teen Girls

FROM THE DIRECTOR—

I’m excited to announce a new peer-to-peer outreach

program at the clinic called **The Well**. The title was inspired by the story of the Samaritan Woman at the well in John Chapter 4 and is just another example of how we are working to fulfill our mission to ‘eliminate the need for abortion’.

The Well is overseen by two adult mentors and is made up of teen girls who are dedicated to living a life of ‘pure womanhood’ and who promise to remain abstinent until marriage. The book *Authentic Beauty* by Leslie Ludy is a

tool used in the formation of the teen-leaders. The girls are led through a Christ-centered personal cleansing that invites them to make or renew a promise of sexual purity as it pertains to how they dress, the books they read, the music they listen to, and even the movies they watch.

The Well leadership team is assigned the responsibility of ministering and witnessing to other junior high and high school girls — giving them tools that will help them make good choices in support of a life of purity. Once formation as an outreach leader is complete — the leaders begin to actively witness to their peers by speaking to church

young groups, or Sunday school and religious ed classes, for example, or any other young girl’s club. If you know of a group that could benefit from **The Well** and it’s outreach efforts —please let us know.

We are looking for additional young women who may want to join the team. Contact Danielle Dilday at Danielle.Dilday@yahoo.com for more information.

And...to put a bug in your ear—we plan to start the same outreach for guys—if you could pray for us and this effort we’d appreciate it.
God Bless

~ Jenny

36 Babies Saved

Abstinence Only— Sexual Integrity Workshops

InnerVisions HealthCare

At InnerVisions HealthCare— our work does not stop with serving women facing a crisis pregnancy. Eliminating the need for abortion is our primary goal. That means we are committed to educating young people with real, factual, and truthful information about the risks and consequences associated of having sex outside of a committed marriage relationship.

We offer educational clinics to parents, teenagers, and youth groups, giving them valuable life affirming and life changing information. We focus on real information about sexually transmitted diseases as they pertain to the epidemics

we are facing in this community. We give them hard facts dispelling the myths about the alleged 'safe-sex' that our society claims to be offering them.

This educational opportunity also includes discussions about sexual integrity and living a life of purity. The education is Scripture based and involves discussions on God's plan for human sexuality and on moral decision making.

This program serves as a great youth group outing. Girls and guys are separated when discussing sensitive issues. We think you'll agree that this is Sex Ed done the right way.

“And what about love? Do we not love anymore? Love is an act of the will, not a feeling; it is an act that insists on the good of others over the good of oneself.

Where is that nowadays? And what about God,

Who is Love? Have we forgotten about Him? I'm afraid that many have, and, with Him, the idea that every single one of us is both willed by Him, and loved by Him with a burning passion.”

-Armstrong Williams,

“On Promiscuity,” Townhall.com, Apr 17, 2012

2400 Volunteer Hours Logged in the First Year

We would not be here without YOUR support.

THANK YOU...and you know who you are.

Lt. Governor Kim Reynolds Visits InnerVisions HealthCare

Iowa Lt. Gov. Kim Reynolds hosted an open house for the clinic April 30. It was the second time InnerVisions welcomed the lieutenant governor.

During the open house Reynolds touted the positive alternatives to abortion that the clinic provides to clients.

“It gives them hope,” Reynolds said. “And it really does talk about the options and the alternatives that they have.”

InnerVisions HealthCare is a very warm, secure environment, she said.

Reynolds praised the way clinic staff and volunteers engaged and connected with clients in the process of serving them. She spoke of the great care taken to sit down and walk with InnerVisions clients, to address what they are facing in their life and to really provide the information that will help them get through whatever their crisis may be.

Along with information and prayer, clinic clients who are pregnant are furnished with a ultrasound image of their unborn child.

“The ultrasound is a phenomenal tool that we have right now,” said Reynolds, “that really, I think, is going to help us win the argument on the culture of life versus the culture of death.”

For mothers to be able to see that ultrasound at any stage, Reynolds said, it's pretty amazing.

InnerVisions Director Jenny Condon gave a brief update at the open house.

“We've saved 36 babies,” she said. “We're very, very excited about that.”

The clinic is busy and doing quite well, Condon said.

Calling All Golfers - InnerVisions HealthCare presents the 2nd Annual Golf Classic

The second annual InnerVisions Healthcare Golf Classic will be held October 8 at Glen Oaks Country Club in West Des Moines.

The event has a unique 100-hole shoot-out format where golfers earn exciting incentive prizes for raising sponsorships—allowing them to golf in support of InnerVisions' mission of *saving babies and eliminating the need for abortion*.

"Anybody who loves helping save babies and loves golf who wants a full day of fun on the most prestigious golf course in Iowa, will love this special opportunity.

Indeed, the venue, Glen Oaks Country

Club, is a big draw for the golfers considering taking part in the golf classic.

Designed by top U.S. golf course architect Tom Fazio, Glen Oaks was nominated by Golf Digest as one of the top new golf courses in the United States, and was also named, "1995 Golf Course of the Year," by Seed Research of Oregon, as well as, "9th Best New Private Golf Course opened in 1995," by Golf Digest. It is considered by Senior PGA Tour Players to be one of the top courses they play each year.

(Continued below)

Thank you Last year's Corporate Golf Sponsors

- Service Legends Heating & Cooling
- Mike and Jana Waechter Family
- 3E Company
- Strategic America
- Melinda Hanson, MD
- Stephen Feltz, MD
- Tami Fahnlander, DO
- Bridal Connection
- Charlie Webb / Allstate Insurance
- Tami Bixby
- Barney Munroe, MD
- Perry Osborn, DO
- Theresa Wahlig, MD
- Grinnell Mutual

The generosity of many corporate sponsors helped make the first golf classic a success. Clinic staff members are working hard to secure those corporate sponsorships again for this year's event.

In addition to the joy of spending a day at Glen Oaks Country Club—Iowa's premier golf course, and supporting the work of InnerVisions Healthcare, golfers are eligible for some great pin prizes too.

The 2011 golf event prizes included a 42" TV, a video camera, a laptop computer, and a digital camera. A BMW was the top prize available for a hole-in-one last year, along with airfare and a set of golf clubs.

The day again ends with a fabulous banquet in the Club House where prizes and awards will be handed out.

Attesting to the complete satisfaction of last year's golfers is the image of golf pro Mark Burke's golf cart, out of gas, being pushed (by his daughters) up the final hill to the clubhouse....both

Gina Rickert was a volunteer pregnancy model for InnerVisions HealthCare and heard about the first golf event from the staff.

"It was fun and rewarding," she said. "Both to support the cause and quite literally the participation gifts were amazing!"

"InnerVisions Healthcare and the mission it supports is invaluable," said Rickert, "not only to the greater Des Moines area, but to the surrounding communities that are impacted by their important work as well."

cart and driver spent from a long and rewarding day on the course.

A day packed with all a golfer could want awaited the players last year, and this year's event promises to be even better. So plan now to join us on October 8 for the 2nd Annual InnerVisions Healthcare Golf Classic.

And don't forget, in addition to the fun of the golf event, lives were changed and lives were saved as a result of the money raised in sup-

port of InnerVisions HealthCare.

For more information on taking part in this year's InnerVisions HealthCare Golf Classic as a golfer or as a corporate sponsor, call Jenny Condon at 515.440.2273

VOLUNTEER SPOTLIGHT **Stephen Cashman** **President of the Board**

Steve Cashman has played a key role in helping to bring InnerVisions HealthCare to Des Moines. He began as Chair of the Capital Campaign Committee

in January 2011. His leadership drew respect and the active participation of his fellow Knights of Columbus — it is certain that without their help we would not have opened as soon as we did. Now, Steve serves as President of the clinic's Board of Directors, leading with the same enthusiasm and dedication for saving babies that he has demonstrated for more than a year now. Steve's unwavering faith and jolly Irishman's demeanor always brightens our day at the clinic.

We want to congratulate Steve for the ***Knight of the Year*** award presented to him at the Knights of Columbus State Convention in Sioux City on April 14th.

Steve's next major effort on behalf of the clinic is to kick-off a new fundraising campaign called Bucks for Babies inviting his Brother Knights to pledge \$10 a month (the likely amount found in a guys change jar each month). Steve's unwavering loyalty is humbling to all of us who enjoy his weekly visits to the clinic. If you run into Steve—please wish him congrats and thank him for all he does in helping to sustain InnervisVisions Healthcare.
