IVHCare & Erin Jensen (Independent Director with PC) have partnered together to help pamper you and our clinic this holiday season!

The party is open now through November 30th. 20% of the proceeds go to IVHCare, as well as products to be auctioned. (Our 2016 Pampered for Life raised over \$1100 and over \$1300 in products that were auctioned!)

There will be 2 PRIZES given away to friends who place orders (one entry per order - not based on amount spent). Each winner will receive a \$100 shopping spree and two (2) 50% off items.
