## GUEST SPEAKER:

*Rebekah Hagan*

Join us to hear Rebekah Hagan's compelling testimony of hope. As a college freshman facing a second unplanned pregnancy, she encountered deep shame and uncertainty. After starting the abortion process, she chose life—and today her son is living proof of that courageous decision. Her story is a powerful way to honor 15 years of InnerVisions' mission serving women throughout Central Iowa.

**EMCEE:** *Jen Green*
